Mr. William E. Colby
Director
Central Intelligence Agency
McLean, Virginia

Dear Mr. Colby:

Enclosed is our first news release concerning our campaign to defend the intelligence community. It received fairly good coverage, including The New York Times. Also enclosed is a fund raising letter that we are distributing in an attempt to obtain enough money to place an ad in The New York Times.

I pass along this information for your interest; certainly not to ask for any agency help.

Good luck to the CIA in its battle to help Western Civilization survive!

Sincerely,

Charles W. Wiley
Executive Director
